Georgia Southern University Graduate Research Assistant for Women’s and Gender Studies Program (WGST)

August, 2017 - May, 2018 (position renewable for up to three years)

Annual graduate research assistant stipend (2 semesters) = $10,000 (tuition waiver included)

The graduate assistant will provide support and assistance in the implementation of an LGBTQ+ Initiative on campus. The graduate research assistant will be responsible for assisting in the design, implementation and analysis of needs survey. Also responsible for administration of grant activities in the office related to the Initiative (marketing materials, social media, focus groups, liaison with partner departments). This person will attend project meetings and trainings as necessary. Duties may include qualitative data transcription and will assist in the production of all deliverables.

Required Qualifications: Commitment to LGBTQ+
Preferred Qualifications: Experience with qualitative and quantitative data analysis, social media, adobe programs, and Wordpress or other Internet content management systems.

Please contact: Director of WGST, Dr. Lisa A Costello: lacostello@georgiasouthern.edu with applications and inquiries.

Application requires: letter of interest and a resume.
