Position
The Graduate Assistant for the University Wellness Program (UWP) will assist the UWP Director and Health Education Coordinator in the overall organization and administration of a comprehensive campus-wide program. The UWP takes a comprehensive view of wellness, encompassing seven dimensions: emotional, environmental, intellectual, occupational, physical, social, and spiritual. Collaboration with student organizations and groups, departments, and offices on campus are central to the facilitation of the UWP. The UWP is housed in Campus Recreation and Intramurals', Statesboro Campus.

The University Wellness Program, a department within Campus Recreation & Intramurals (CRI) and the Division of Student Affairs and Enrollment Management, provides growth opportunities and educational experiences that enrich the lifelong learning process of Georgia Southern students. Benefits of participation in University Wellness programs include the application of leadership, decision-making, problem solving, conflict management, communication, and social skills. Program areas within CRI include Aquatics, Club Sports, Facility Management, Fitness, Group Fitness, Golf Course, Injury Prevention & Care, Intramural Sports, Marketing, Shooting Sports Education, Southern Adventures, and Wellness.

Responsibilities
The University Wellness Program Graduate Assistant will be responsible for assisting with the planning, scheduling, administration, management, supervision, and facilitation of programming across the seven dimensions of wellness; assisting with the planning, preparing and facilitation of collaborative academic and wellness activities, administrative duties, completing assessments and reports, data collection and analysis; assisting with the daily administration of program activities, UWP special events, meetings, and committees and perform other duties as assigned. The applicant should have a strong background in at least one of the following areas: counseling, psychology, program development and facilitation, research, and/or education. This position will require some weekend and evening commitments.

Required Qualifications
- Bachelor’s degree in a wellness/public health related field
- Admission into a GSU graduate program
- Demonstrated knowledge/experience in wellness or related programming
- Program planning, implementation, and evaluation experience
- Excellent verbal/written communication skills
- Motivation, enthusiasm, and attention to detail
- Professionalism and willingness to learn

Preferred Qualifications
- Proficiency in computer skills (i.e. Word, Excel, web-based applications, etc.)
- Strong career aspirations in wellness
- CPR/First Aid certifications
- Capability to supervise others
- A driver’s license in good standing
- Strong organizational skills and attention to detail
- Self-motivation/ability to think “outside the box”

Stipend
$8,000 for a 10-month appointment with a full tuition waiver. Student is responsible for activity fees and books. Professional development funding and summer employment are available.
