Position
The Graduate Assistant for Fitness will assist the Fitness Directors in the overall organization and administration of a comprehensive fitness program with an emphasis in personal training, fitness assessments, fitness center operations, and staffing. This position will also provide opportunities for experience and collaboration with group fitness training and special events.

Campus Recreation & Intramurals (CRI), a department within the Division of Student Affairs and Enrollment Management, provides growth opportunities and educational experiences that enrich the lifelong learning process of Georgia Southern students. Benefits of participation in CRI programs include the application of leadership, decision-making, problem solving, conflict management, communication, and social skills. Program areas include Aquatics, Club Sports, Facility Management, Intramural Sports, Southern Adventures and Wellness.

Responsibilities
Responsibilities will include programming, promotion, scheduling and evaluation of various fitness programs. Train, schedule, supervise, and evaluate students performing fitness assessments. Assist in program evaluation and development/revision of rules, policies, and procedures. Manage daily administration of program activities in the fitness assessment lab, including correspondence with student volunteers and program participants, management and maintenance of equipment and facilities. Lead and assist with CRI special events including races, strength events, and perform other duties as assigned.

Required Qualifications
- Bachelor’s degree in Exercise Science, Sport Management, or related field
- Admission into a GSU graduate program
- Possess a national personal training certification from an accredited agency
- Professionalism and willingness to learn
- Excellent verbal and written communication
- Motivation, enthusiasm, and attention to detail
- Supervisory experience
- Previous campus recreation experience.

Preferred Qualifications
- Ability to work with diverse group
- Self-motivated
- Proficiency in computer skills (i.e. Word, Excel, and other applications/software related to recreational sports)
- Experience in Personal Training and weight room operations
- Career aspirations in recreational sports
- Experience in fitness training
- CPR/First Aid certifications

Stipend
$8,000 for a 10-month appointment and a full tuition waiver. Student is responsible for activity fees and books. Professional development funding available. Summer employment is available.
