Position
The Injury Prevention & Care Graduate Assistant will assist the department in providing athletic training services to program participants. This includes injury prevention, evaluation, education, treatment of athletic injuries in cooperation with full-time certified athletic trainers.

Campus Recreation & Intramurals (CRI), a department within the Division of Student Affairs and Enrollment Management, provides growth opportunities and educational experiences that enrich the lifelong learning process of Georgia Southern students. Benefits of participation with CRI programs include the application of leadership, decision making, problem solving, conflict management, communication, and social skills. Injury Prevention & Care interacts with all CRI programs including Aquatics, Club Sports, Facility Management, Fitness, Group Fitness, Golf, Intramural Sports, Marketing, Shooting Sports Education, Southern Adventures, and Wellness.

Responsibilities
The Injury Prevention & Care Graduate Assistant will be responsible for responding to injuries and emergency situations for CRI programs, events, and open recreation to include evenings and weekends; maintain records, inventory of supplies, and equipment; provide coverage for intramural sports and club sports activities as assigned, which include evening and weekend hours; develop education and training programs regarding health and safety issues for staff and participants; assist in monitoring risk management policies and procedures; attend all staff trainings and meetings; assist with CRI special events and perform other duties as assigned.

Required Qualifications
- Bachelor's degree in Athletic Training or related field
- Possess certification by the National Athletic Trainers’ Association Board of Certification (NATABOC)
- Admission into a GSU graduate program
- Must possess or be eligible for Athletic Training Licensure in the State of Georgia
- Current CPR for the Professional Rescuer/First Aid certifications
- Excellent verbal/written communication skills
- Motivation, enthusiasm, and attention to detail
- Professionalism and willingness to learn

Preferred Qualifications
- Understanding of risk management principles
- Proficiency in computer skills (i.e. Word, Excel, and other applications/software related to recreational sports)
- Career aspirations in recreational sports
- CPR/First Aid instructor certifications

Stipend
$8,000 for a 10-month appointment and a full tuition waiver. Student is responsible for activity fees and books. Professional development funding and summer employment are available.
